NON-MASONIC EVENTS

He's off and running! Update on the 'Potty Pensioner's two wheel adventure'

Having set off from his home in Sidcup on Saturday 26th September on his 650cc Honda motorcycle to travel to Tanzania, and having travelled through France, Belgium Germany and into Austria, W Bro Doug Holmes suffered a massive set-back in Vienna when a breakdown necessitated a complete rebuild of his engine. On the bright side he spent several days sightseeing in this beautiful part of Europe while his bike was being fixed. Then it was off through the rest of Europe and crossing into Asia at Istanbul, through Turkey, Jordan and a ferry into Egypt. Then it got HOT ! Down through Egypt and into Sudan where it got HOTTER ! so hot in fact that he had to stop riding at around midday to prevent heatstroke. Doug camped by the Blue Nile just outside Khartoum for a couple of days to get his strength up ready for a big trek on unmade roads. He is currently making his way through Ethiopia and on his way to Kenya. Further details secretary8684@btinternet.com
